Mr. Dulles:

[redacted]

b) Directed that information copies of all incoming and outgoing cables dealing with [redacted] be furnished [redacted] ACTION: DD/P.

[redacted]

d) Noted he had been speculating on how the Communists plan to play deGaulle should he come to power in France. He pointed out the possibility they might, as attempted in the case of Hitler, support the Right with the hope of completely rolling up the Left and thus gaining control. The Director said he was sure he would be queried for his views on this matter and asked DD/I to furnish him a brief memorandum of our people's thinking.

Mr. Wisner:

Asked the Director if there was any follow-up required on his (DCI's) meeting with Dr. Milton Eisenhower on 24 May regarding his proposed trip to Central America. The Director indicated there was none necessary at the present time.
